Private Apartment in Gated Community

A fully equipped apartment with a modern design, featuring spacious bedrooms and a comfortable layout. Located in a private gated residential complex with a communal pool, it offers a secure and relaxing environment. High-quality Italian materials were used during renovation and finishing. Soundproofing of walls and ceilings ensures maximum comfort and privacy.

The apartment includes a covered terrace with a barbecue area — a great spot to relax and host guests outdoors. Two separate entrances allow the space to be divided into independent units, which makes it suitable for both living and investment.

The complex, with 24-hour security and controlled access, offers excellent facilities including several outdoor pools, a heated indoor pool, gym, clubhouse, and spa area.
